14 DEC 2023

SEMINAR HALL - SFST

### ABOUT THE PROGRAMME

Participants will be given an exposure to different types of food preservation methods and preservatives. The programme is intended for the selected 15 farmer members of Madhya Kerala Farmer Producer Company Ltd., Kaduthuruthy, Kottayam. The training aims at encouraging the farmers to use different natural preservation techniques so as to ensure a healthy and sustainable food style. They will also be familiarized with the usage of different preservatives in various food items.
